HOUSING DISCRIMINATION IS ILLEGAL

If you're looking for an apartment and you can't get in – because of barriers like steps, steep slopes and lack of curb cuts – or if you find the kitchen or bathroom is not accessible, please call. The Fair Housing Act requires most multi-family dwellings built since March 13, 1991, to be accessible to people with disabilities.

We will investigate to make sure the building complies with federal law.

A public service message from the U.S. Department of Housing and Urban Development in partnership with the National Fair Housing Alliance. The federal Fair Housing Act prohibits discrimination because of race, color, religion, national origin, sex, family status or disability. For more information, visit www.hud.gov/fairhousing.
